Customer Reviews

This is a terrible book. I am Argentinian and I cook quite well. I bought 3 cooking books to give as presents to my daughters in law. This book is not only the worse but it is bad! The recipes are not

even close to the originals, the presentation/printing is poor and has the quality of a pamphlet. Needless to say that I did not give it to them. Enough said!

Some of the names are hard but the food is delicious. I collect recipes from all around the world and this was a great addition to my collection. Thank you and enjoy your meal and enjoy your day.

great book

Learned a lot from this amazing cookbook! Easy-to-follow recipes! Thanks a lot!
