Customer Reviews

Book by Reasoner, Charles

Book is very short. Best suited for ages 6 -12 months. I would not recommend as a toddler gift.

I bought this for my 17 month old grandson to go with his little people plane set. Perfect for little hands, beautiful colors and illustrations.

It was a hit with my grandson would loves things with a motor.

Fast service. Content and quality of book good for young kids.

small and durable
