Ellen Grady is the author of Blue Guide Sicily and Blue Guide the Marche and San Marino. An author and tour guide, she lives in Sicily on the slopes of Mount Etna.

This is not a book about beaches, hotels, and restaurants. It is the best guide about history and archaeology. Worth the price if you are there to see and learn rather than tan like a pig skin.

the best travel guide I've ever purchased. my planned trip is for art and architecture. this covers everything i need.

Excellent as this series usually is

Well researched. Really for those who enjoy art and architecture
