When she finally reaches the road, a car comes out of nowhere. It doesn't manage to stop. HEAR NO EVIL The victim, a girl who went missing four months ago, has been subjected to unimaginably brutal treatment – and Detective Patrik Hedström suspects this is just the start. SPEAK NO EVIL The police soon discover that three other girls are missing from nearby towns, but there are no fresh leads. And when Patrik's wife stumbles across a link to an old murder case, the detective is forced to see his investigation in a whole new light.

## Customer Reviews

Great story Part of a series, takes place in Sweden Erika is researching a crime that happened many years ago - and it begins to connect to Patrick's current case. It involves a young girl who is missing

- and then is seen walking in the snow and ice. Then a car hits her. What a terrible bit of circumstances! But wait it gets worse! The story is great - but the situations are horrible. The characters are great - and we continue with Anna and Dan, and Patrick's mother

I would recommend reading all of Camilla Lackberg's books in this series. My friend kept saying in the middle of the book I know who the murderer is but she was wrong because the ending was a mystery. Even though the books can be read in any order I would recommend that one reads them in order. The translation is excellent, the characters are believable and the story line keeps one interested. I have read all of the books in this series.

Great read ,despite the macabre aspects of this story ,the other stories and characters make this enjoyable ,and full of suspense until the end

I'm a big fan of Camilla Lackberg's but somehow this book didn't quite do it for me. Draggy in places.

Just received today. Read the whole series. Anxious to start. Fast shipping.

Lackberg just gets better and better and she started out great!

I have read all previous books by this writer and this last one is equally good as the others. The Swedish name for this latest book is "The Lion Tamer", it has been renamed "The Ice Child" in English, which I find a bit confusing. However the plot is very good and and it is developed in a very interesting way. Marvellous book!

Its so easy to become very fond of the familiar characters in this series. The book is a good read...a perplexing mystery with horrific overtones . Plenty of blood and guts and evil that is cleverly contrasted with the warmth of loving family members and friends. I love this series. An adventure with old friends.
