## Customer Reviews

C. M. Hoffman is a lecturer in religious studies and the author of several books on Judaism.

Jonathan Gorsky is the consultant for this book. He is an Orthodox Jew and the educational advisor for the Council of Christians and Jews.

great book

The book provides the contours of the Jewish identity, religious philosophy, customs and ethics touching upon many aspects I didn't know and correcting some of my existing understandings. My knowledge of the Judaism was limited to a few keywords such as Kosher (of course!), Shabbat, Torah, Passover etc. After this reading exercise I think it has gotten a bit better; my understanding

of why pork is not eaten is now corrected; understand that shellfish is non-kosher; that switching on the light during Shabbat may be offensive to orthodox Jews; that after-life and other related metaphysical concepts are loosely defined; that the much awaited messiah is not a divine form, but a leader among the people; where Talmud, Neviim, Ketuvim fits in within the structure of the scriptures; history of the various festivals and many more. I was alternating between this book and wikipedia which has a very well written section on Judaism.

good seller. feel good . I just love this product I just use it for basic cutting I bought it because I read the reviews and its just what they I just have to go buy a sleeve for it for Tina , arrive on time.
