A beautiful guide to Venice. I will study it on the airplane.

Very good. What more to say.

Great Primer, easy to read and many verified facts.

Has everything you need!

Can't wait to read through this book - looking forward to using this book while in Venice.

so fast, receive it next day . I'm very pleased with this product. It was affordable, and it cuts great. I was replacing an extremely dull chef's product that I couldn't seem to get sharp. This product has been a welcome change. the old one has been broke in my family , Nice and valuable. great .
