ISBN-10: 2067185608

ISBN-13: 978-2067185609

Product Dimensions: 4.2 x 0.5 x 9.9 inches

Shipping Weight: 1.6 ounces (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars 4 customer reviews

Best Sellers Rank: #777,866 in Books (See Top 100 in Books) #74 in Books > Travel > South America > Argentina > General #101 in Books > Travel > South America > Chile

Customer Reviews

Renowned for more than 100 years for clear, accurate and well researched mapping, Michelin maps give travelers an overall picture of their route, with the practical road and travel information they need. Many points of interest are also indicated. Maps include an extensive place name index, along with inset maps of the main urban areas for quick navigation reference. Travelers always appreciate Michelin's easy fold-up design: the maps can be read like a book and then folded up neatly.

The map is okay, but it's zoomed out so far that it's not practical unless you're interested in traveling very long distances. I was traveling within a single region of Chile (Santiago to Valparaiso) and for that scale of distance there wasn't any more detail than free maps I received.

very good map

And you'd think could let us know the scale of the map. (I mean, isn't that pretty much an *essential* feature of a map?) I'm looking for the southernmost motorcyclable route from Argentina to Chile, hoping to ride the Carretera Austral from Villa O'Higgins (or as close thereto as possible)

on up. Does anyone reading this know?

After I finish exploring Perú, I'll start with Chile and Argentina. Wanna go to the Galapagos (Ecuador), Easter Island, the Southern Ice Fields, Tierra del Fuego, Patagonia, etc. South America ROCKS !
