The Book Of Senior Jokes: The Ones You Can Remember

Synopsis

A collection of the finest, funniest, and sauciest jokes about age and aging; here, at last, is a book guaranteed to make anyone laugh incontinently. Jokes from such "senior" luminaries as George Burns, Winston Churchill, Joan Rivers, Dorothy Parker, and many more fill this delicious companion to *The Book of Senior Moments*. Growing older is unavoidable, and there's only one solution. As your physical attributes drift southwards and your mental powers head for the hills, remember—and it's certainly difficult, given that you likely can't remember where you parked your car and you're currently addressing your youngest child as "Thingy"; that laughter always helps.

"Grandpa will get Geoff Tibball's jokey *The Seniors' Survival Guide* simply for its explanation of the difference between Wi-Fi and hi-fi, Jpeg and clothes peg." — Telegraph on *The Seniors' Survival Guide*

Geoff Tibballs has written more than 100 books including *The Mammoth Book of Dirty, Sick, X-Rated and Politically Incorrect Jokes*; *The Mammoth Book of Humor*; *Ripley's Believe It Or Not! The Remarkable Revealed*; and *The Seniors'™ Survival Guide*.

Good senior humor, not the old put downs found in some other books. Funny stories about life's experiences by us folks who just happen to have a few more birthdays than some others. I will be

telling some of these to my friends and possibly telling them on myself; this book has some great material. If I could stand up long enough to be a Standup, I'd have a plethora of material. This would make a good present for anyone over 50 and a good read for those related to those persons.....did I say that right?

Some of these are a bit nasty, but there are several of them that are safe to share.

Nice, clean, funny jokes.

The title says it all. Funny, but often all too true!

Since I'm a senior, very funny

Bought this for my Mom. She has read and reread the book and told me several of the jokes. Seeing as it was a gift for her, and she really likes it, it's a five-star buy in my book!

Love it

Some of the jokes are a little in bad taste but most are cute or funny and you will get a lot of chuckles from reading this book.
