The Miracle Of The Seventh-Day Ox

Synopsis

There was no one he knew. No one to care what happened to him. As he tossed and turned trying to fall asleep, his mind would suddenly begin to panic and scream out in protest, How did I get myself into this? A pastor living in Communist Russia, Nickolai Panchuk struggled as a prisoner of the KGB to find his purpose. Persecuted for his Christian faith, Nickolai remained in a Siberian camp for eight years, refusing to sacrifice his faith and suffering the consequences. Harassed, beaten, and dejected, Nickolai found hope in the unlikeliest source: an old ox named Maksim. With the help and strength of God, Nickolai and Maksim worked together to perform a weekly miracle witnessing for Christ in the most disparaging of circumstances and winning souls along the way.

"Do you mean to tell me that you've been locking this man up in this crate for two years, and it hasn't done any good? Did it ever occur to you that there may be a good reason this man isn't following your orders?" Nickolai Panchuk, a pastor living in Communist Russia, struggled as a prisoner of the KGB to find his purpose. Persecuted for his Christian faith, Nickolai remained in a Siberian camp for 10 years, refusing to sacrifice his faith and suffering the consequences. Harassed, beaten, and dejected, Nickolai found hope in the unlikeliest source: an old ox named Maksim. I thought my life was rough, but this poor man had the faith of Job. What a witness. I hope many people will be influenced to turn their life to Jesus and look forward to an eternal home. After receiving this book as a gift, I turned around and bought it for a few of my friends. Blessings to all.

This book is a fast read, very well written, but most of all it is one of the most inspiring books I've ever read in my 65 years! How was this man able to endure two years of torture and 8 more years of grueling life in a Siberian prison camp? Because of his absolute surrender and commitment to God, even before he was sent to the camp. What an inspiration his faith is! What a testimony to God's keeping and sustaining power!

I've never heard of an animal being converted to a religious belief; however, the ox in this story kept the 4th Commandment as written in Exodus 20:8-11, which is quite amazing.

No lecture here, just a word of encouragement to those of you that need a reminder that our Lord is still working miracles. This is a great book for those in need of an example of faith that "walks" the walk. In my world this would be required reading for those who claim to be on the "narrow way" that leads to life. It's flat out inspirational.

Wow! I zipped through this book in one day. Actually, half a day. I started at 7:00pm and finished at midnight. Very, very inspiring and humbling. I would recommend it for anyone going through a difficult time because it will inspire you to persevere and trust God. Also, Bradley Booth is a very good writer. I also enjoyed Dare to Stand Alone a lot.

My would read this book to me each night. What an amazing story! There are some sad parts that make your heart hurt and even pray for Christians all over the world. I am happy to say the book does have a beautiful ending. I would recommend.

A good read! True story of real miracles and perseverance. Everyone should read! When all else fails what do you do?

Encouraging testimony of what God can do when we yield to His will. There are a thousands ways God answers our prayers. It's so exciting to hear God uses humans as well as animals!!!!
