Montreal & Southern Quebec Travel Map 1:12,500 / 1:850,000

Synopsis

Montreal vies with Vancouver for being the second largest city in the country (Toronto being by far the largest). Both cities have a great cultural diversity, but Montreal's French background and bilingual nature makes it a favorite travel destination. This time, we have enhanced the map by printing it on waterproof paper, and by improving the scale used for Southern Quebec to make it more user friendly> The Hinterland of Montreal, from the American and Ontario borders north into the Laurentian Mountains and east to the touristic and popular Gaspé Peninsula, makes this a popular map with visitors. With one map, visitors have all the highways of the Province of Quebec AND the streets of historic Montreal!
