Think Like A Warrior: The Five Inner Beliefs That Make You Unstoppable (Sports For The Soul Book 1)

Synopsis

Discover the five inner beliefs shared by the world's greatest achievers. If you want to take control of your life and achieve your biggest dreams, you must develop a "warrior mindset." This book will show you how to stop thinking like a victim and start thinking like a warrior. In this inspirational fable, Chris McNeely is a college football coach who is at the end of his rope after a hard-and-fast fall from the top of his profession. Now bankrupt and on the verge of losing his job, he has no idea what he's doing wrong or how to get back on track. Angry, worried, and desperate for help, Chris receives mysterious visits from five of history's greatest coaches: John Wooden, Buck O'Neil, Herb Brooks, Paul "Bear" Bryant, and Vince Lombardi. Together, these five legendary leaders teach Chris how to "think like a warrior" and take control of his life. The "warrior mindset" he develops changes his life forever and it will change yours as well. Discover the life-changing lessons of John Wooden, Buck O'Neil, Herb Brooks, Bear Bryant, and Vince Lombardi in this inspirational tale of what it takes to achieve your dreams whatever those dreams may be. This book will show you how to...- Build your self-confidence- Develop mental toughness- Attack every day with joy and enthusiasm- Use a positive mental attitude to achieve more- Harness the power of positive self-talk- Explore the spiritual side of success- Be a positive leader for your family and your team- Become the person you were born to be- And much more! [The five inner beliefs revealed in this book will empower you to take control of your life and overcome any obstacle that stands in your way.

Customer Reviews

An absolute great read that positively impacted me as a trader, and most importantly, it had a huge impact for me on a personal level. The lessons in the book presented themselves as advice and inspiration from legendary coaches from the past as they spoke to a struggling college football coach. I thought the material was well written and presented in a way that everyone will be able to relate too. Darrin also started SportsForTheSoul.com website where you can sign up for a free newsletter delivered to your inbox twice a week with more advice and inspirational messages from the greatest minds in sports.

I read Think Like a Warrior over the weekend, and really enjoyed it. I'm a firm believer of the positive impact competition and sport can have on someone's life, how it can prepare you for whatever "game" you play. The 5 lessons in this book, however, go beyond sport. Lessons I've learned before, and when put into action makes anything attainable. I loved getting inspired again. Thanks!

Quick read, but in a good way and gets the right points across in a nice format with a fictional character but life lessons intertwined. Well done!

This book was a great read! It was hard to put down once I started. The principles are timeless and I personally needed to read that. I plan to re-read the principles consistently as a reminder and to help me stay focused. The story format and incorporation of sports legends was well written. Most of us don't focus on mental focus and sharpness as much as we need to. This book is a great step in bridging that gap!

I loved this book! I'm a huge fan of self help books...and sports, so this is the perfect combination. The story is highly entertaining and never gets boring or overwrought. The messages from each coach are powerful and clear. Not only does this book inspire me to become a stronger man, but it also taught me things about the individual coaches I didn't know. I wish I could have taken McNeely's place a couple times to have a beer with these coaching greats. It's such a fun read

and I highly recommend it to anyone who wants to find their inner self!

Compelling book on success, vision, loss and change of belief systems. Couldn't put it down!

Enjoyable quick read.

A quick read and a great gift for a success minded sports fan.
