Guarding Eden: A Midway Novel Book One (Hidden Wings)

Synopsis

Tucked away at an upscale, private boarding school in Brindle Hollow, Washington, seventeen-year-old Eden East comes face to face with a hideous creature on her walk back to her dorm. Shaken to her core, she's left questioning the world around her, and soon finds herself entering a friendship with a hot, new student named Alexander. Little does she know, Alex is a Guardian Angel, sent from Midway to protect her from those dangerous creaturesâknown as Darklingâlurking in the forest outside Brindle Hall. It isn't long before Alex learns this is no ordinary assignment. Eden's existence holds a secret; something hidden from even herself. Eden is thrust into a world where Fallen angels and creatures of the Underworld will stop at nothing to catch her. With Alex at her side and a little help from some of his old friends, they form a formidable front against the enemy. Hopefully, it's not too little, too late. Guarding Eden is a Hidden Wings Spin-off Series and a Midway Novel. Intended for Ages 15 and over

Eden East...a high school senior who came face to face with a horrid monster, a darkling. This alerted Midway that she needed protection. So, Alex was sent as her guardian. He found she was a Nephilim.....half angel. So, Alex West goes back to school. Eden has three best friends who are amazing, and one jerk who tried to take advantage of her, then spread rumors about her that were untrue. But karma is truly a bitch. This story includes old friends... Alaine, Emma, Dom and the whole crew. Read as the fallen use the darkling to attack Eden and cause undue problems. But good overcomes evil. This is a great story, but ended way too soon. Read on my friends.

If you've read the "Hidden Wings" series, this book is a must read. You'll meet old friends and new ones along the journey that Eden and Alex travel together. Cameo Renae always creates intriguing stories that capture your heart. The new characters are well developed as is their relationship with Eden. I look forward to the next novel from the "Midway" to see what's in store for more of the Guardians and to catch up on Alex, Eden and the rest of the angelic family :)

Love all the Midway Angels! Alex is sent to guard Eden from the Darkling, discovering she is a Nephilim. They are drawn to each other without the bond and need to fight the attraction until Eden's transformation, when the bond finally happens. Alaine, Samuel, Kade, Emma, Thomas and Dom make an appearance to help protect Eden and her friends. Good first novel for the Midway series.

I thoroughly enjoyed this book. The characters were lovable, and the story was a satisfying HEA in Cameo Renae's usual style. If you like heroes, adventure, and love with just the right amount of heat, you won't want to miss this one. I have been impatiently awaiting the new Midway series by Ms. Renea ever since she announced it, and this book is a terrific start. Here's to more stories about book characters we love and those we will come to love. (I'm still holding out hope for a reincarnated Ethon.....a girl can dream!)

This book contains everything you need for a great story! Great world building and character development. Angels, Demons, Humans, Pain, Peril and love. It's all here. Why are you still reading this review. BUY THE BOOK!!
