Duke Sucks: A Completely Evenhanded, Unbiased Investigation Into The Most Evil Team On Planet Earth

Synopsis

In the ranks of NCAA college basketball, Duke University is like something scraped off the bottom of a shoe. It's like a nasty virus you catch from a door handle at a public toilet. No team in sports is as uniquely hated as those smug, entitled, floor-slapping, fist-pumping, insufferable Blue Devils. The loathing has almost reached the level of a religion. Christian Laettner is a punk. Amen. The Cameron Craziest are obnoxious. The Plumlees are worthless times three. Coach K is a jerk. Kumbaya. The team is dogged by an intense hatred that no other team can match—and for good reason. Millions of hoops fans and March Madness aficionados around the world are not imagining things. Duke really is evil, and within the pages of *Duke Sucks*, Reed Tucker and Andy Bagwell show readers exactly why Duke deserves to be so detested. They bruise and batter the Blue Devils with fact after fact, story after story, statistic after statistic. They build an airtight case that could stand up in a court of law. So sit back in your "I Hate Duke" t-shirt, and in true Duke fashion, force someone poorer than you to do your work as you crack open the ultimate guide to Duke suckitude.

Book Information

Paperback: 208 pages

Customer Reviews

It's a celt's daylight savings time, which means it's also Duke-hating time. —The Denver Post

Reed Tucker is a staff features writer at the New York Post. He lives in Brooklyn, New York. Andy Bagwell is a former member of Selected Hilarity, one of the top college comedy acts in the nation. He lives in Cary, North Carolina. The two host the "Tar Heel Bred, Tar Heel Dead" podcast, an obsessive, occasionally humorous look at UNC basketball.

loved the book

As expected.

The only drawback is that it was written by a former Tar Heel. Let's the reader get to know the nefarious Coach K in a light rarely seen by outsiders.

Perfect title, perfect book

Title should be Dook Sucks! A well written and researched critique of the greatest rivalry in sports. Go to hell Dook!

Bought this book as a gift for my dad, but I read it before I have it to him. We are UK fans and this book is more geared to UNC fans, but no matter who you root for, we can all agree that Duke SUCKS and this book tells you some really good reasons why. Recommended to anyone who hates Duke

Good book

I am a Duke fan, and love how we are so good that we inspire UNC fans to write about us.
