Clef Studies For Trombone, An Intermediate Method Compiled By Ralph Sauer

Synopsis

Since 1970, Ralph Sauer's Clef Studies have been recommended by teachers as an intermediate step in learning tenor and alto clefs. In a concise and organized book, the 36 studies are short, melodically simple, in a moderate range (without clef changes), and will help prepare the student for more advanced material such as Blazhevich. With a new Foreword, this edition is a faithful copy of the earlier Wimbledon publication which is now out of print. Ralph Sauer's intermediate level Clef Studies book is now available from Cherry Classics Music in print and direct download form.
