The Teenage Mutant Ninja Turtles Pizza Cookbook

Synopsis

Host the ultimate pizza party with this creative cookbook of delicious recipes inspired by the heroes of the Teenage Mutant Ninja Turtles. Straight out of the sewers and right into the kitchen, the Teenage Mutant Ninja Turtles' favorite pizzas are finally yours to create and enjoy! Join Leonardo, Raphael, Donatello, and Michelangelo on a seriously ooey, gooey, cheesy, adventure inspired by the beloved original cartoon series. This cookbook contains sixty-five righteous recipes, from old-school classic such the New York Style Pepperoni to newfangled feasts such as the Lean, Mean, and Green and Shredder's Revenge. There's a pizza for every occasion -- breakfast pizzas, mini-pizzas, party pizzas, and even dessert pizzas. So get on the ninja diet and be prepared to eat your hearts out! Author bio: Peggy Paul Casella is a cookbook writer and editor and the creator of ThursdayNightPizza.com, a food blog centered on making weekly pizzas from scratch. In her editing/writing life, she wrangles hundreds of recipes each month from chefs, writers, and publishers all over the country; writes a regular column on seasonal produce for a local Philadelphia magazine; and contributes sporadically to other publications. Peggy started Thursday Night Pizza in 2014 as a way to play with seasonal ingredients and test out all sorts of

weird and wonderful flavor combinations, mad scientist style. She grew up watching the original Teenage Mutant Ninja cartoon and considers Michelangelo a true pizza visionary.Â

Photographer/Illustrator bio:Â Albert Yee is a professional photographer and devoted lover of food, particularly pizza. Upon moving from New York to his adopted home of Philadelphia, he promptly went on a frenzied taste test of twenty or so pizza shops to find a new "home slice" to enjoy. When not eating a slice, he can be found photographing some part of the Mid-Atlantic region's food economy, whether it be on a farm, at a restaurant, or in a market. He now lives blocks away from the nation's first and only pizza museum and what many have come to consider the country's best pizza pie.

I ordered this for the TMNT fan in our house, but this is really a great cookbook that I am looking forward to using! When it arrived, I was surprised at the excellent quality of the pictures and the variety of recipes. This cookbook offers recipes for pizza dough as well as a huge variety of pizzas, from the traditional to the obscure. We're looking forward to trying several of them very soon!

I grew up watching TMNT and had to buy this. I have only tried three recipes so far but I am very happy with my purchase! There are some very unique pizzas I have never heard of or tried. The breakfast pizza with an egg on top is great as is the deep dish goulash pizza!

Some really cool recipes and a few for home made dough as well.

This is a great book for TMNT fans old and young alike. This book contains some good recipes and the recipes are simple to understand for children.

Great purchase! The book is well organized, easy to follow and very creative! I am the father of twins and I am excited to make pizza with them for years with the help of this fun book.

Huge Ninja Turtle fan so this is perfect!

It's a good cook book the pizza is amazing. Never liked homemade pizza till now.

A good book with some stellar recipes. I didn't expect them to be so thorough.
