Customer Reviews

There are 50 beautiful photos with simple captions, that's all. One can read all the captions in about 15 minutes.

The photos are stunning in their beauty. Some of them brought tears to my eyes, others made me laugh. The rest had me gasping in wonder. The photographer is quite skilled at highlighting interesting views. The caption were sometimes weird. I suggest having someone with better English to write them. I was able to understand the point they were trying to get across though. Well worth reading.
