# The Big Book Of Kid Sermons And Object Talks: 52 Instant Lessons That Children Will Remember (Big Books)

## Synopsis

A full year's worth of object talks! Useful for children's sermons or to supplement any Sunday school curriculum, children's ministry program, Christian school, or homeschool curriculum. Discussion questions help make each object talk relevant to students' lives. This resource will appeal to many learning styles through active, artistic, and scientific methods.

## Customer Reviews

Gospel Light publishes a wide range of fun and creative kids resources in a multitude of exciting formats. At Gospel Light, we remember what it's like to see the world through a child's eyes. We believe the best way to reach kids for Jesus is by teaching about God and His Word through hands-on activities that engage a child's intense curiosity, openness to learning new things and desire to love and be loved by Jesus. That's why we offer a variety of Bible curricula for every age child, Vacation Bible School programs, music and media that reinforce Scripture learning and Bible-based studies; all filled with engaging, hands-on activities that keep kids involved in Bible learning designed just for them! For over 80 years, we've been equipping leaders and teachers with the best tools for drawing kids to Jesus and leading them in a lifelong relationship with Him. Our ministry resources are designed to engage the minds and hearts of children, to teach God's Word and to fulfill the same mission we've had since 1933: "To know Christ and to make Him known."

Good object lessons but there aren't any sermons in the book, just object lessons. They are nicely organized and indexed so you can find what you want easily.

I received just what i was looking for.

Excellent resource!

Great ideas.

Helpful tool for planning lessons.

I love this book. There are a lot of great object talks to pick from.

Loved the book. I used the sermons for a Awana Council Time and they were short enough for a 10 min segment Would recommend it.

Very clear instructions using everyday objects to show Gospel truths.52 Lessons - one for each week, and some showing science in action.
