Ibiza Tour & Trail Super-Durable Map

Synopsis

Water-proof, split-proof, tear-proof, adventure-proof. Ibiza Tour & Trail Super-Durable Map is simply the toughest, most accurate, easy to read, easy to use map of the island you can buy at any price.

David & Ros Brawn have partnered with Walking World to include the highlighted routes for 39 detailed walking routes on the island, plus the 20 Official mountain bike cycling routes are also highlighted on their detailed routes. Large, 40k scale, easy to read map sheets include a wealth of useful details. 20 metre and 100 metre contours combined with altitude shading bring these impressive Ibiza landscapes to life. All of the legendary Tour & Trail attention to detail is included so that you will find those petrol stations, mirador viewpoints with parking, refreshment stops with parking and accurate road numbering that are so essential when adventuring by hire car.

'Off-Tarmac' Ibiza Tour & Trail Map is in a league of its own thanks to all those Walking World hiking trails (39) and the official mountain biking routes (20). Being such a large 40k scale map means that Ibiza covers both sides of the 840mm by 600mm super-durable map sheet with a generous 5.6 kilometre common overlap between the East and West map sheets, while still folding back to a pocketable 235mm by 120mm when folded. 'Super-Durable' means a waterproof, tear-proof, map that can take the roughest treatment and still folds up like new after your adventures. Printed on Polyart using specialist 100% oxygenation inks produces a lightweight map that feels like silk but is as tough as old boots as it shrugs off water, resists tearing and damage better than any other map. 'Super-Durable' combined with our special concertina map fold means this 'near indestructible' Tour & Trail Map unfolds easily for use, and more importantly folds back up easily to its compact pocket size even after the toughest use. Custom Map digital edition for Garmin users is available from Discovery Walking Guides website dwgwalking.co.uk plus digital editions are available for 3/4G gps apps from Viewranger and MyTrails. Tour & Trail Super-Durable Maps are printed on Polyart using 100% oxygenation inks which produces a lightweight map that feels like silk while being both water-proof and incredibly tough so that after even the toughest of adventures your Tour & Trail Super-Durable Map will fold up like new. Polyart is made of high-density polyethylene (HDPE) and is therefore 100% recyclable in category 2 HDPE. For more information see the Polyart website.
