Customer Reviews

"What separates Rhonda Abrams from the crowd? She is an expert in building successful small businesses. And she continues to create timely, meaningful and (most importantly) useful content for academics, students, and business owners like myself. This book is the definitive guide for anyone who either wants to be an entrepreneur or just wants to grow their own business." - Gene Marks, New York Times small business columnist

"I've been in business for over twenty-five years," says Abrams. "And when I started my first business, I could never find a book like this one to guide me each step of the way. So I decided to write it myself."
