It's shocking! It's graphic! But this is war! Do you know how Satan can use "doorways" including yoga, role-playing games, and meditation, to bring demonic destruction into your home? Satan hates you and wants to destroy you. To be victorious you must Prepare for War.

Rebecca Brown, M.D., was a young intern just out of medical school when she first encountered the activities of a group of Satanists. She began a lifelong journey of danger and excitement as she followed step-by-step the Lord's commands for her life. She learned complete trust and obedience as God faithfully guided her to truth and ultimate victory. This remarkable woman has ministered to thousands of people through her books, seminars and individual counseling. Dr. Brown's vast experience through personal encounters gives exceptional credibility to her teaching. While there are many Christian authors who write on the subject of the occult, few have the extensive hands-on experience of Rebecca. In fourteen years of ministry, Dr. Brown has led many people out of hard-core Satanism and all types of occult bondage, including Eastern mysticism and New Age philosophy, and into a personal relationship with Jesus Christ. She has also effectively taught believers how to defend themselves against demonic activity by strengthening themselves daily in the Lord by obeying His Word. When Rebecca first encountered the shocking facts behind Satanism and the occult, there was little accurate information available on these dark and evil practices. Movies and television shows that portrayed the supernatural were regarded by the average viewer as fiction. By contrast, today it is common to see newspapers and talk shows discussing details of Satanic ritualistic abuse, demon possession and "white" witchcraft. In spite of the popularity of these topics, however, the full truth is not being accurately disclosed. As a result, there are massive numbers of Christians being deceived in their schools, on the job and even in their own churches. Rebecca candidly discusses the brutal facts and little-known secrets of the occult, such as placement of "inserts" and the practice of "caging." She deals with demons in a no-nonsense manner that takes the "three-ring circus" out of deliverance. Her instruction is based on the simple steps of faith found in Scripture. She emphasizes that these steps are also necessary for the believer's entire Christian walk. Rebecca Brown has authored these best-selling books: *He Came To Set The Captives Free*, *Prepare For War*, *Unbroken Curses*, and *Becoming A Vessel of Honor*. They have been translated into over twelve languages and are used worldwide as teaching tools in churches and ministries. Her counsel is often sought by pastors, doctors and lawyers. In addition, her books are utilized by various U.S. law enforcement officials as part of their training programs for dealing with the occult. Although there are many Christian books exposing the occult, Dr. Brown's are among the few that offer definite answers and specific personal advice. They have helped countless people to pray effectively and to protect themselves from demonic attack and bondage.

Excellent book. A must read for any true follower of Christ.

everyday is a war, against the power of the darkness that want to destroy your life and family, this book will give you deep understanding of the spirit world, how to win the battle according based on God's Word

This is a very good guide to any Christian walking in close proximity to God. This will enable you to war against the unseen demonic spirits. This is a real story written by a person who lives the war against the powers of darkness.

Dr Rebecca's books have been eye opening and very informative. I have A better understanding of Spiritual warfare. Good Read!

I needed more details about spiritual warfare and this one does it. I have read other books from the same author and I know about this material in depth and many people don't suggest reading her material because they don't know the details about this type of warfare. Not all professionals in this field are safe to be around they say all the right words but their actions say the opposite.

This is the second book I've read by this author. The first book I read "God came to set the captives free" was great this book has me with some questions for the author she kind of went left to me , the way it reads almost makes one feel like this is a fiction novel as the story of Elaine and Rebecca is truly incredible

Prepare for War is deep and relevant for the times we are living in. So many people are tormented by the evil one and this book explains necessary steps to be free.

Purchased for a friend that is going through spiritual warfare. Great advice in the book. Rebecca Brown is on time like other great authors that teach on spiritual warfare. Everyone has different experiences, it is great to read them all and use what fits your situation.
