Customer Reviews

Really good book. Easy to understand and follow.

I had the ebook and practiced some of the exercises while waiting for a doctor's appointment, and they seemed to help, so I got the paperback.

Interesting e-book on Mudras with relevant and needed details!

Very easy-to-use addition to a meditation program, or a motivational incentive to begin meditation. Descriptions are clear, simple, and visualizations are added to each of the chakras. I would buy more books by this author.

informative and easy to follow

It's easy to read and practice. I love it. Great for beginner.

This is very useful for practicing pranayama, and also for yoga asanas. I would recommend that everyone should know about mudras and chakras.

This is the first book I have on Mudra and mine is a e-book. An easy quick guideline for mudras with clear picture and description of respective color, organs, food etc..
