With Every Drop Of Blood: A Novel Of The Civil War

Synopsis

Fourteen-year-old Johnny promised his father, who was gravely wounded while fighting for the South, that he would take care of the family and not run off to fight. But when there's a request to take his mules and wagon on a bold mission to supply the Rebel troops, Johnny can't resist the chance for revenge as well as a good payday. Times are tough without his father on the farm, and food is scarce for everyone. But his plan goes awry when he's captured by Cush, a runaway slave. Johnny doesn't like taking orders from a black man, but he has no choice: He's heading for prison camp wondering what will become of his family and himself. Along the way, he learns some surprising views about the war, forms an unlikely bond with Cush, and finds his long-held feelings about the issues surrounding the Civil War brought into question. This critically acclaimed novel is geared for children Grades 5 and up.

A+

Great book that truly shows how much one's belief were instituted to the extreme of giving up one's life for a cause.

This was the most interesting book that I have ever read. There's nothing wrong with the book. I liked this book because of the speech and the dialogue.

I liked this book. I recommend it. It's about a war and that's boring to me but I recommend this if you like these kind of books. 5 stars.

I give this item a 5 star rating!! ordered this item for a junior high class. The teacher uses it every day and the class loves it! The item arrived quickly and in great shape. Good service!

I made this purchase for our Language Arts Curriculum. If we have students that have a need to use our Kindles, this title will be available for them to use.

Its okay I had to read it for 5th grade school but I read it before when I was in 1st. (In 1st I had a 4th grade reading level and by 4th I had an adult reading level finishing the hunger games in 2 hours) I thought it was a bit predictable but then again I don't like books about the past futurist is more my style. ;-)

I did not enjoy this book
