America's History, Volume I

Synopsis

Known for its interpretive voice and thoughtful analysis, America's History models exactly the kind of thinking and writing students need to be successful. An accessible and balanced narrative with built-in primary sources and skills-based pedagogy gives students practice in thinking historically, and features new ways of mastering the content so that students come to class prepared. The eighth edition rolls out Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use assessment at your fingertips. Easy to integrate into your campus LMS, and featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning outcomes. It's the best content joined up with the best technology. What's in the LaunchPad

Hubs needed this for school.

This was such a convenient purchase.

Good for class that I had to take.

Worked great and fast shipping

great book

Good

Came as expected.

I rented this book. I enjoy renting books because it saves me money and I can return the book when the class is over. I used to buy books and I have a bunch that I never look at again. So renting is a really good way to save money if you are a student. Most of these books you will never look at again.
