## Customer Reviews

My son loves this book a lot! He is looking forward to read the following series.

Good book I enjoyed it a lot. I would recommend it to all. The book was well written. Please buy it

Good book

An awesome book for Minecraft lovers... Especially ones that know the legend of Herobrine. If you

have the server Minevast, Fadecloud, or Happy Hunger Games, like this.

Now this is more like it. "Diary" if you read this, some guy is writing bad books trying to claim he is you, so I wanted to bring that to your attention as well as your fans. This is what an OFFICIAL work of the author "Diary" looks like. The book itself was amazing. My nephew and I have heard the legends about the mythical Herobrine, so it was nice hear a story about what in my opinion is the "Bigfoot of Minecraft". We look forward to seeing more of your AUTHENTIC books and wish you the best in dealing with that impostor guy.

OopenedPowerJimlkskkskslksmyths about to go toot our way back now and then the end up in sun and mandy naked with a guild of Australia in sun is out for the end up in my head of a guild of Australia in your car to be the end up with you get to be the same thing I can think you should have said it is not the s little while to be in the end up being so you get the end up

I liked this book. Reveal the true secret of Herobrine and how evil he actually is. I would definitely recommend this book to anyone even if they don't play Minecraft $\tilde{A}\phi\hat{A}$ , $\hat{A}\phi$ .
