## Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

If you want a tab book that'll have you playing the familiar Christmas songs right away, this one's a good bet. It is fairly complete and very accurate. You'll be playing the melodies, of course, but if that's what you're after, this book is better than a lot of others I've seen. I took it down to 4 stars because the arrangements are a bit too simple. If you are a beginner, then maybe this is actually a plus for you.

I bought this book as a beginner who was tired of playing basslines (only) of songs. I wanted to play tunes, or melody on my bass guitar. This was one of the few books I could find where I could play recognizable tunes on the bass. I like to play basslines of course, but it gets boring after a while. When I get really good at playing, I want to play the bass as a solo instrument. I was really excited about this book, because it has all the classic Christmas songs in it. And, it is on my level as a beginner, because I opened the book and began playing right away. I love this book and recommend it to anyone.

No complaints! Great book!

You don't find many books with bass scores but this is one. It's great for learning bass and/or spreading a little Christmas cheer.

I am a self taught bass player, and I want to add the holiday favorites to my arsenal of playing tunes.

When I purchased this book I was hoping for a little more of an arrangement than the BASIC lines. I guess I was out of line to hope for a slightly more dressed up version but... what the heck.

I bought this song book for my teenage son. He is fairly new to playing the bass but I thought he would enjoy learning some songs for Christmas. He said the book was easy to follow and read. It has the bass scores and he enjoyed playing the melody instead of only bass lines. He said he was glad I bought it for him. Includes complete lyrics for each song and the songs included in the book are: 1. Angels we have heard on high 2. Away in a manger 3. Carol of the Bells 4. Deck the Hall 5. The First Noel 6. Go, Tell it on the Mountain 7. God Rest Ye Merry, Gentlemen 8. Good King Wenceslas 9. Hark! The Herald Angels Sing 10. I Saw Three Ships 11. It Came upon the Midnight Clear 12. Jingle Bells 13. Jolly Old St. Nicholas 14. Joy to the World 15. O Christmas Tree 16. O Come, All Ye Faithful 17. O Come, O Come Immanuel 18. O Holy Night 19. O Little Town of Bethlehem 20. Silent Night 21. Up on the Housetop 22. We Three Kings of Orient Are 23. We Wish You a Merry Christmas 24. What Child is This?

I purchased this item to challenge me to play music with my bass. This book satisfies that itch, it also challenged me to NOT to use the open strings but to play fretted notes. That would be the only draw back but recognizing a challenge and working through it was well worth the experience. The

music that was written is not hard to do, you just have to do it.
