All They Needed Was A Thug's Love 2

Synopsis

The Bennett sisters are back and have had their lives turned upside down in the worst way. Gucci has seemed to find herself in hot water with her sisters, realizing that not telling them her secret has put them all in a dangerous situation, they all find themselves kidnapped and fighting for their lives. Change is a concept Zy'ala fails to adapt to, and now that her parents are gone everything around her crumbles down. Unable to express herself she breaks away and finds herself in more trouble than what she expected. Amina is struggling with taking care of her sisters or putting herself first finally. Jurnee is used to being strong but after taking so many blows back to back she finds herself struggling to hold it together. Without her sisters by her side she leans on Cruz but when a secret is revealed a tough decision has to be made. The Bennett Sisters are each battling their own demons that the rest have no idea about. When tragedy strikes again they're all reunited but will they be able to still together the way Mary and Joseph would have wanted or did the time apart hurt their bond more than help.

You guys just love bring me to the edge of my seat and pushing me back. I can't wait for part 3. This was a great read, Isiah needs to grow a pair and Tyquan needs to go.

Come on now don't do me like it was getting good and I was eating popcorn and sipping on my Pepsi. I'm ready for book 3 please

Ok so Tyquan is truly a psycho like how could you murder your own brother just because you're jealous smh. I hope he didn't kill Jaquan because him and Amina just found out that they are expecting. Gucci just got arrested because they found vomit at one of the girls houses then on top of it all she just found out that Mohammad knows her father. I really can't wait until she finally get to talk to her father so that he can explain to her what happened because she has a lot of hate in her heart and just maybe that will help her. Zy'ala girl what have you got yourself into " she need to really get her life together so that she can be a good mother to her son, but I think Omar is just the man to help her. Jurnee is dealing with her husband Isiah who she just found out does coke and she's just over the whole marriage but with Cruz being there for her she will be just fine. This book had me laughing and crying it was just all of that. Great read ladies once again

This Book was incredible! Talk about making ones nerves bad! The suspense and drama picks up right where part one ended! This series just keeps getting better and better with each book! I was shocked and floored! They don't know who to trust. Or where to turn! The treachery, deceit, lies, and fast paced thrills were real! I couldn't get enough! You go through so many emotions while reading this book! You can't help but feel for these girls. They are all trying to cope in their own way. I still love Jaquan and Mina together. I just hope they can make it work. I also like Cruz and Jurnee too. And that ending no words except jaw dropping. I'm afraid to even know what's going to happen in part 3

Part2 picked right up where part 1 left off boy oh boy this series is a real page turner I could not put it down until I finished. Part 2 had me so emotional I have cried and laughed to the point my kids thought something was wrong with me lol.. I love the sisters and their bond and my heart aches for what each of them have and still are enduring. Jaquan was bar but now I think he might be a little to soft on his brother for my liking. Awesome job ladies and boy that cliffhanger got me feenin for part 3 some come on with it. So if your looking for a action pack series that's a real page turner be sure

to check these talented ladies out.

I bet Chyna set them up, she's on vacation when they got kidnapped and she pointed the finger at Gucci for the murder of Jesse. Tyquan ain't gotem all, he's a psycho. Isaiah and Dylan needs to die, so Jurnee can be great by herself or with Cruz. Zy'ala needs professional help. She talked all that making her parents proud and she's going turn around not follow up what she said she was going to do. I really hope Hakeem gets custody of their son. When is Shay and Chyna going to die? I know y'all ain't gonna let Amina and Jaquan die. What was he talking about when he said she wasn't going to kill his first born?

I absolutely loved this book. Part one felt like it was missing something but this book made up for everything. Them Bennett sisters have been through so much yet they're still standing. What happen to Amina was sad but I felt her leaving was necessary not only for her but for the other sister as well. They needed that time to learn themselves and face their problems head on. That ending though I cannot wait to see what's going to happen.

I still can't believe 4 different ppl are written this book. Their chemistry to write together is crazy. It like they are able to keep the story flowing where one leave off the next story pick up the same pace. I'm glad they got out the basement. I hope they get a little relief from all the drama. Poor gucci and mina. Zy might have a shot with this man in her corner to be normal lmao yeah right. Jurnee stay strong. Can't wait for part 3
