Love Wasn't Meant For A Dope Boy: Bully And Envy

Synopsis

Taheem aka Bully had a rough childhood. He lost his brother when he was nine, and it changed his home life forever. Despite those challenges, Bully was a simple man, living a simple life. All he wanted to do was become a welder and spoil the love of his life, Safiya, but a freak accident robbed him of those dreams. After losing Safiya, a hatred so dark formed inside of Bully that he literally turned into a savage overnight. Without Safiya, he feels he has nothing to live for, and Bully vows to never love another woman. Envy is content being a kept woman until the streets play their hand and sends her boyfriend, Mason, to the feds. Once Mason is in prison, Envy knows she has to come up with a game plan, and when a minimum wage paying job doesn't cut it, she ventures into the night life with her best friend, Kat. Envy runs into a lot of roadblocks in the form of dysfunctional relationships, being betrayed by people she holds dear to her heart, and finding out that no one seems to be who she thought they were. In the midst of it all, she finds herself falling for the mysterious and sexy, Bully. She knows she should run in the opposite direction because Bully doesn't try to hide the fact that he doesn't want a relationship, but even that isn't enough to deter Envy.

Customer Reviews

I love this author's style of writing. It's like I'm looking at a movie. The storyline keep my attention from the beginning to the end. The characters was well developed with enough information to understand their role in the story. This story is about love, betrayal, secrets, and ambition. Envy has been through a lot as well as Bully. The way their relationship started out with them being honest with each other but not really understand that their path was probably meant to be. A great read. Waiting on part two!!!

Natisha Radnor phenomenal job on this book Bully is babe hoping that he don't continue to beat himself up tragedies do happy and his was a horrible mistake .I like him with Envy Can't wait for part 2

First read by her and I must say I was intrigued after the first couple of pages. I loved it and am heading to grab part two now

This was a great read. Bully is something else. Love the way this thug romance is building up. Can not wait for part 2 to drop

This book is a page turn! It kept my attention though out the who book! Plenty of drama action and secrets! I hate that bully had to experience that freak accident! Kat turn out not to be a real friend! Envy and bully i love them together...i hope everything work out for them. Cant wait for part 2! That ending was crazy! Mason really like..lol never mind!

Omg who was after them. Lawd please dont let nothing happen to envy bully would offically loose it i like the fact even though the main character is a stripper she wasnt a thot and trying to make it her career she had a plan and was working hard to achieve it despite the roadblock she faced.Man i felt sorry for bully he went through it.Kat i have no words for her she was dead wrong.I cant wait for pt2 i hope bully and envy get toghether they both deserve happiness

Hooked from the first word . Read it in one sitting , this is one book that you won't want to put down

till the end . I will be reading the next book in the series . I have to find out what happens , you get attached and find yourself talking to the characters . Awesome job as always .

It seems everyone was betraying Envy left and right. Wow Mason how do you deal with someone for 4 years and keep that kind of secret. Bevin really caught me by surprise. I would have never expected that from him. Kat had a weak moment and they may never be friends again. Bully just needs to admit he in love!!!!
