Customer Reviews

"Curator's lush illustrations revel in the calm of rural expanses (‘The country is even bigger than the city!’ Elliot exclaims), creating a sense of palpable relief as the friends relax."

—Publishers Weekly, starred review, on Little Elliot, Fall Friends "the resulting artwork offers a wondrous presentation of the russets, greens, and golds of trees on rolling hills, very like Grant Wood's idyllic farm landscape paintings. This charming celebration of friendship (and fall)

deepens with each rereading." —Booklist on Little Elliot, Fall Friends "It's a gorgeous vision of summer in the city, as well as of small steps with big payoffs." —Publishers Weekly, starred review on Little Elliot, Big Fun "A bravura celebration of the healing effects of acceptance and friendship."

—Booklist, starred review, on Little Elliot, Big Fun "Young children will easily relate to Elliot's experience of loneliness and his relief at inclusion, both convincingly captured in this elegant tale."
