Leonardo Da Vinci (Social Studies Readers)

Synopsis

Leonardo da Vinci lived during the Italian Renaissance, a time of great ideas and innovation. This enlightening biography allows readers to discover how Da Vinci perfectly embodied the spirit of the Renaissance. Through detailed, stunning photos and images, easy-to-read text, and captivating facts, children will learn about some of Da Vinci's greatest creations as an artist, including The Last Supper and the Mona Lisa. Readers will also discover details about Da Vinci's early life, including his apprenticeship with artist Andrea del Verrocchio. A glossary and index is provided to aid in better understanding of the content and vocabulary.

About Shell Education
Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.

Age Range: 10 - 18 years

Grade Level: 4 - 5

Customer Reviews

Gr 4-5-A great feature of this series is that the volumes are complementary to one another. For example, Medieval accompanies Chaucer. It's an effective way of narrowing the focus and providing a specific experience connected to the era. Some information overlaps within each pairing, but since these are introductions, that's not necessarily a flaw as it can reinforce some key points.

Oversimplification and superficiality are a risk when covering a subject as broad as the Byzantine Empire or the Enlightenment for a younger audience, but the authors do an admirable job of achieving depth while maintaining accessibility. Reproductions, photos, and sidebars break up the texts without making them too busy. Each book concludes by revisiting a tidbit from the text and inviting readers to complete a creative and thought-provoking activity. © Copyright 2011.
