It's My Life (Diary Of A Teenage Girl: Caitlin, Book 2)

Synopsis

In this emotional sequel to *Diary of a Teenage Girl*, Caitlin O'Conner faces new trials as she grows in her faith and strives to maintain the recent commitments she's made to God. As a new believer, Caitlin begins her summer job and makes preparations for a Mexico mission trip with her church youth group. Torn between new spiritual directions and loyalty to Beanie, her best friend (now pregnant), Caitlin searches out her personal values on friendship, romance, dating, life goals, and key relationships with God and family. Tough choices threaten her progress, and her year climaxes in her realization that maturity sometimes means life-impacting decisions must be made ... by faith alone.

Grade Level: 7 and up

Customer Reviews

Gr 7 Up-Caitlin, introduced in *Diary of a Teenage Girl* (Multnomah, 2000), continues to use her diary as a sounding board. Now 17, she writes, "Can a girl who loves cool clothes and thick, glossy fashion magazines ever learn to accept people for who they really are underneath that veneer? I think, with God, I can." She needs to, since the people in her life turn to her for help with an overwhelming variety of problematic situations. When her psychology class gets to codependency, even Caitlin herself is appalled at the list: "I must admit that over just the last year, I've made myself almost sick with worry about others from time to time-there was my mom and dad and their

marriage problems, -Aunt Steph, then Beanie with her pregnancy, Josh just because he's Josh, and for a while I was worried about Andrea, and then Zach with his drug problems, and lately it's been Jenny." Fortunately, just one prayer session with Caitlin is enough to straighten anyone out-including Beanie's abused, alcoholic mother and Jenny with her eating disorder. The diary format is almost too realistic-there is a lot of detail that doesn't move the plot forward, and Caitlin's style is difficult to take in large doses, especially her prayers in screaming capital letters. The teen alternates radically between helpful, caring actions and selfish, childish worries. Some of her decisions (not to date, to become a missionary) are interesting, but complex problems are created and resolved too quickly. Amy A. Healy, Loyola Academy Resource Center, Wilmette, IL Copyright 2001 Cahners Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Melody Carlson is the bestselling author of more than seventy books for teens, women, and children with total sales over 1 million. She has two grown sons and enjoys an active lifestyle of hiking, skiing, and biking. She lives in the beautiful Oregon Cascade Mountains with her husband and Labrador retriever.

Daughter is reading these series and it took her 2 days to read this.. she LOVES the book!!

Great series for teenage girls. Have good real life situations in them but most importantly God is always there to help the character through their situations. It refreshing. My daughter is 16 and she finished the first series and now is working on the next story line. I wish more Christian fiction was out for teens. They really need it in today's world.

Bought this for my daughter....she LOVES it....great book. BTW...my daughter is 14 yrs old.

Helped me in my walk with Christ

Wonderful! Every adolescent girl should have to read these books! They give wholesome examples of how a girl can be a devout Jesus follower... a REAL christian... and still exist and flourish in the world.

Excellent christian teen book

My daughter enjoyed this teen series of books. It was purchased as a Christmas gift. It was a good guy also.

love it
