Customer Reviews

The Psalter is the prayerbook of the people of God. The tradition of incorporating the Psalter in the teaching and life and worship of the primitive community was maintained in the centuries following the apostolic period and continued to provide a major influence upon the thought and spirituality of Christians throughout patristic times. Perhaps no other book of the Bible has been more fully commented upon and explained than the Psalter, right on through the Middle Ages and into Reformation times. - from Foreward by John Eudes Bamberger, Abbott of the Genesee

Beautifully printed psalter for community prayer or private worship. Done by the Trappists.

I bought this for my wife for Christmas sight unseen. I was pleasantly surprised to discover how lovely a volume it was. The lettering is beautiful yet easy to read. One could meditate on the script in and of it's self. The Grail translation of the Psalms is fresh and attractive though I suspect that it may not be as inclusive as some wish given that this volume precedes the 2004 inclusive language Grail Psalter by over 20 years. Each of the Psalms begins with a large red letter and there are no verse numbers to detract the reader and they "pray" the Psalms. It is a beautiful volume, and my wife tells

me that I can't have hers.

One of the finest translations of the Psalms I know of in excellent monastic format for the recitation of the Divine Office for those who know how to do the Office. abba anthony

this is so beautiful and easy to read, i am well pleased!

I was very surprised when I opened the book, it is beautiful. Just looking at it makes you want to read it. This book will make a great addition to my book shelf with my Bibles.

I really enjoyed this translation

This is a treasure to have.

Large, hardcover book. Print is very readable, easy on the eyes. The 150 Psalms are most beautiful to read.
