Alien Disclosure At Area 51: Dr. Dan Burisch Reveals The Truth About ETs, UFOs And MJ-12

Synopsis

The Newly Revealed Truth About ETs, UFOs and MJ-12 at Area 51 This is the true story of microbiologist Dr. Dan Burisch and his encounters at Area 51 S4 with J-Rod, an alien from the Zeta Reticuli star system whose UFO crashed in Kingman, Arizona. With the implicit consent of the most powerful and secretive organization in the US government, Majestic 12 (MJ-12), Dan reveals for the first time: Why Dan was taken aboard a UFO as a child, The actual procedures used to extract tissue from an ET at Area 51, The real reason the US went to war in Iraq (hint: it wasn't about oil!), The cause of global warming (it's not man-made), and Who the "winged angels" mentioned in the ancient scriptures actually were. SPECIAL BONUSES: The Anatomy of the Aliens - images and descriptions of alien anatomy verified by Dr. Dan Burisch, The actual members of MJ-12 and the layout of their living quarters at Area 51, and Letter from Admiral John M. "Mike" McConnell, head of MJ-12, authorizing disclosure of certain information. Customer Reviews

If what I read is true, then this is indeed is an eye opener.

Not enough meat! Lots of editorial. Not enough facts. All the links in the appendix are ads! Totally worthless. Don't buy it.

Started reading and could not put it down. Full of fascinating and amazing discoveries. Left me anxious to keep learning.

Considering the source and the retired Officer that wrote this book, I found it to be a matter of fact type. To me there was honesty, true full testimony which can be verified by family members as well as acquaintances. This gentleman would have a tracible data somewhere that the governing power's did not destroy completely personally, scholasticly, militarily, work records of some type plus scientifically. I believe the knowledge downloaded into his brain is also being monitored by the race of Aliens that were very grateful for the roll he played in returning his homesick friend , he is being monitored by the USA government looking forward to another possible contact. I also feel that if there were another time both sides will be prepared !

Fascinating, hard to make up this stuff. Wish it was made up, because it indicates that what appears to us as reality is a reflection off a one way mirror, with something totally different on the other side than what we are seeing reflected back at us.

well written and easy to read, keeps you interested all the way through.

Excellent piece of explaining work and so happens my group of friends involved that have kept quiet over the years are thrilled that professionals are coming out ! Information were receiving should have been given to the people in doses but info given ,after all we pay for what ever they decide we can see or know about Aliens what ever the negative or plus.

Interesting subject but somewhat thin.
