The Gardner Heist: The True Story Of The World's Largest Unsolved Art Theft

Synopsis

â œBoser cracks the cold case of the art worldâ ™s greatest unsolved mystery.â •â ”Vanity FairÂ â œThe True Story of the Worldâ ™s Largest Unsolved Art Theft,â • The Gardner Heist by Ulrich Boser is a fascinating account of a brazen and amazing criminal actâ ”a book that could help police and investigators solve the mystery of the 1990 break-in and burglary at Bostonâ ™s Isabella Stewart Gardner Museum. â œA tantalizing whodunitâ • (Boston Globe) and a â œriveting, wonderfully vivid account [that] takes you into the underworld of obsessed art detectives, con men, and thievesâ • (Jonathan Harr, author of The Lost Painting), The Gardner Heist is true crime history at its most spellbinding.

Customer Reviews

Caught the Gardner bug. The book was published in 2008 and the mystery has still not been solved. I find it hard to believe that the FBI never interviewed a witness that saw the two robbers that night or didn't interview the witness on a timely basis. A good resource for someone still hunting and hoping for the reward. Fascinating story really. I'd vote that David Turner was the culprit. I wish

I could write the tell all story of his life!

Excellent account of the robbery and subsequent attempts to solve the case. The author became very entwined and actually spent a lot of time on a solution to the as yet unsolved crime. He too was unable to solve it but certainly looked into things rather thoroughly.

This a great book about the biggest art heist in the world. Still to this day no knows the whereabouts of all these works of art. Fantastic read, travels from all over the globe. Too bad we can't enjoy what someone has taken away from the publics eye.

I only vaguely remember the actual robbery. I knew from the get go how the book would end because the robbery was never solved but that did not detract from my enjoyment of the book. It is well written and well researched. A good true crime read.

A very good research about this very sad heist so far unsolved. The author did a very good work that is not easy.

This is a real "page-turner", very well written, interesting and fast paced. Ulrich Boser's account of the crime and the investigation is simply riveting. If you are interested in Crime Investigation, Art, or the Gardner Museum itself, do not miss this splendid "in-depth" opportunity to learn more about this unsolved crime.

This is a fascinating look at the theft of millions of dollars of priceless art. I had read a fictional book about a similar theft, which was based on this true event. That led me to read more and Boser's book was full of information.

I love the museum and really enjoyed this fictional book. Story was interesting enough that those in the book club that had not been to the museum really enjoyed the story and characters. Even better if you have been there. Plenty to talk about at book club.
