"Spiced with anecdotes, both personal and historical, that convey [the author's] deep connection to an area of the country that is truly 'off the beaten path.'"--The Bloomsbury Review

Tired of the same old tourist traps? Take the road less traveled and discover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path® features the things you'd want to see—if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: "I didn't know that!" Whether you're a visitor or a local looking for something different, let The Dakotas Off the Beaten Path show you the Peace Garden and Mount Rushmore States you never knew existed. Walk in Jesse James's footsteps at Devil's Gulch in Garretson, South Dakota; search for prehistoric fossils along the shores of Lake Oahe on the Missouri River; or visit a rare albino buffalo at the National Buffalo Museum in Jamestown, North Dakota. So if you've been there, done that—one too many times, get off the main road and venture Off the Beaten Path.

Great source for additional possibilities when visiting the magical Dakotas. However, restaurants and lodging lean heavily to those who have plenty of money in their purse/wallet. For most of us, I would research these areas further. But it is outstanding for many possibilities to make a wonderful trip even better. Just don't expect it to cover much roadfood, wacky attractions or budget motels. VERY worthwhile still.

We used it alot on a trip to the Black Hills and probably will use it again when we go back this year

Off the Beaten Path-rather a so-so account of "what to see/do" in the Dakotas. I personally like the Moon Travel Series better as the format is easier to read and more consistent.
