THE BELIEVER'S AUTHORITY(AUTHORITY OF THE BELIEVER,POWER AND AUTHORITY OF THE BELIEVER)

Synopsis

Do you want to see yourself exercise authority and see immediate manifestations, then you are at the right place. You will receive teachings, revelations and given practical ways to experience the authority of God in your life first hand immediately. Many of us have heard that the believer has authority. This is true. However, even though we have heard so, this authority doesn't seem to be our experience. Some have tried to use the authority they have but have failed; others do not even know the basis of the authority. This book will show you that the believer has power and authority. It will give you confidence in the authority you have as a believer. That confidence will help you exercise that authority and have immediate results.

Customer Reviews

This is a very good read! Thanks to this author, I have learned something very life-changing. The author clearly points out the distinction between the authority that Adam had, and the authority that the believer now has. Francis Jonah leads you to profound documentation, scripture after scripture.

You have to read this power-packed book. Discover and utilize the authority and power that so many in Christ are unaware of!

Concise and truthful. For those who need more detail and in depth explanation, consider Kenneth E. Hagin as well. Jonah is writing about who we are in Christ. Learn who you are so that there is no doubt in your heart. Then walk in the power, authority and full light of our Family name, Jehushua ha Mashiach, Jesus the Christ.

Such a small book but quite powerful, all of his books are simple but powerful, I definitely would recommend

This is the most simple approach possible. We don't need big books or better explanations, we truly need to come like a child and believe what God did through his son Jesus. Revelation won't come if we don't believe or begin to at least apply Jesus's teaching. Jesus taught all who hear and do what I say will be blessed.

A very good precise and informative book. I am enjoying. His books and I will continue reading them for my growth. Am excited!!!!

awesome info

It educative and simple to read and understand.

Outstanding words of God what we have inherited power authority what can we accomplish. Just being a Christian is more than we realise.
