The Way We Love: Benji And Nhalia's Story

Synopsis

Meet Nhalia Graves. A young girl with enough struggle to last a lifetime, and a heart yearning for love. Nhalia has it hard from the start, and after murdering her mother's boyfriend at only thirteen years old, she ends up in juvie until just before her eighteenth birthday. For Nhalia, it's just one hell to the next, until one day everything changes. She's called into the warden's office, and told something that shakes up her world from that moment forward. It isn't until she's released from the Harris County Juvenile Detention Center that she finds out that she's the daughter of Carter Graves; the king of all kings of ever street, and ever neighborhood within the Beltway 8 of Houston, Texas. Finding out that she does in fact have the blood of an untouchable lineage, Nhalia is sure that she has found the only family she'll ever need in this life. That is until she meets Benjamin King. Benjamin "Benji" King is a Christian rapper with lyrics so dope that Nhalia's immediately drawn to him, and constantly distracted from the fact that he's a mark. In fact, the first one her father has ever entrusted her with. On a mission to spread the word of God, and change how the world looks at his lifestyle, Benji can't understand why his heart is drawn to a girl like Nhalia, and even ignores all the warnings he's received about this beautiful little hood princess. After the sudden death of one of Nhalia's most beloved family members, life heats up for her in a major way as she starts to unravel and uncover secrets about her family that shakes the very foundation of everything the Graves Empire was built on; family, loyalty, and love. Now, Nhalia has to make a decision that could alter her life forever, and it leaves her with the only love she's been running from the whole time. The kind of love that fairytales are made of. The love of none other, then Benjamin King. *The Power of Our Love* is an African American Christian romance novel with a bit of an urban twist.

I took me 2 days to blow through this book only because I had to go to sleep and work so I couldn't read it non-stop. I was fascinated by the character development in this book. This storyline is real life and very relatable. We all have that one family member we feel tries to (or actually does) dictate our life. Let me tell you something though, I'm saved and born again through the Blood of Jesus but Nikki would have had the ultimate laying on of hands given by me. I laughed, I cried, and I thanked God for redemption. Great job C. Harris and I can't wait to see what the next book in the series entails!

Talk about a dysfunctional family..... I'm so flabbergasted at how Carter Graves could be so cold hearted. I feel bad for Nhalia because she cares more for her family than her family cares for her. I just wonder what's next for her and Benji. I hope she doesn't lose her freedom again because that would totally be unfair.

I really liked this story that was full but full of surprises and lots of twists and turns. I was very shocked to find out about Nhalia's family and how everyone was related. (Don't want to spoil it for others) I would like to see Nhalia and Benji together and healing and I would like to see how the Carter family ends up. Good read.

I have read a lot of Harris book. This one is very juicy and kept me wondering. I am ordering part 2 now and I can't wait to see what happens. Being that I am a Houstonian I knew all of the areas in the boom. this book would be a great movie

I'm going to read the next book to see what happens with Benji. And let's not forget about the twisted sister Cimini! Really??!! She got some making up to do! Keep up the good work, I really enjoyed this book

Carter Graves! Ruthless is all I can say. He destroyed the lives of his family how sad. Now what...Cimini takes the lead! Can't wait for part 2.

A page turner and I didn't want to put it down!!!! Great writing!! Good job to this author! Ready for the next part!

Heading right over to get part 2. Great story line. Good pace (nothing worse than a slow read) and a good sprinkling of God.
