Product Dimensions: 8.5 x 5.4 x 1.8 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,048,463 in Books (See Top 100 in Books) #89 in [Books > Travel > United States > Arizona > General](#) #2744 in [Books > Travel > United States > West > Mountain](#) #44835 in [Books > History > Americas > United States > State & Local](#)

Customer Reviews

"This gem . . . continues as a valuable reference work concerning the 48th state. Besides which, it's entertaining to read and has become a piece of history in its own right." ["Southwestern Mission Research Center"](#)
"The book will appeal to the general reading public as much today as it did 50 years ago. The main reason is the writing" ["clear, engaging, and often poetic. . . . It remains unsurpassed."](#) ["American Reference Books Annual](#)

We have taken this book along as we tour through our state and it has added a lot of information and interest to the trip. Listed in here are not only today's cities and towns, but those of bygone times. Every town, which seems to be almost every town in the state, has just about everything you would want to know about that town, including the pioneers who started the town, where they lived, many times with directions, why the towns ever existed, and more. We explored the southeastern part of our state, with the passenger reading the books commentary on upcoming towns. Then we could compare what the writers saw then and what has happened since. If I was younger, I would write a supplement to this book, as well as ones from other states, reporting how things have changed and sometimes, even if the town is still there!

A surprise! This book is filled with dynamic information about Arizona. It's a wonderful addition to my library! Thanks!
