Top 25 Cheap Nashville Wedding Venues

Synopsis

With more than 100 wedding venues in the metro Nashville area alone, finding the perfect space while on a budget can be difficult. This resource is for couples who are looking to save time and money when it comes to planning their wedding ceremony and reception. This book features the top 25 cheap Nashville wedding venues followed by a list of 80-plus additional venues for budgets of all sizes. Venues are organized according to what area of town they're located (central, north, south, east or west). They're listed with the lowest price under the name of the venue, followed by the physical address, then links to the website, Facebook, email and phone numbers (and when available, the contact person's name). After the entries for the top 25 cheapest venues is a section of 86 of Nashville's other wedding venues. Some of these are economical, others are for those with big budgets. Wherever your big day takes you, may this resource be a helpful first step in making your wedding day dreams come true. Features:

- 25 Nashville area wedding venues for \$1,500 or less (many under \$1,000)
- Contact information and links to websites and Facebook pages for venues.
- Includes some new venues not listed on any other wedding site!
- Also includes listing of 80+ other wedding venues for any budget
