Customer Reviews

Tasty takeout recipes, easy to follow.

I love the recipes. I've tried 3 now but perused many others and plan to try many more. The ones I've tried really do remind me of Chinese takeout. Plus, I get to leave out the ingredients I don't care for (not a fan of bell peppers). The recipes are easy to follow.

I live in an area where good Chinese is hard to find and takeout is non-existent. This has been a lifesaver for me. Excellent recipes from appetizers all the way to the main course. Well rounded selection of dishes to choose from.

This cookbook has a number of my favorite items in it, and they are not difficult to make.

Pretty simple food preparations and good flavors. Not quite the same as take out but close.

Gave as present with Wok...she loves it!!!

Good, Easy read and to the point, will use it a lot!
