Customer Reviews

I bought this because I wanted to be more organized. I haven't really used a planner in a couple of years so I thought I would try. It is pretty much the perfect size, not too small, but big enough to write comfortably in. The elastic band has held up well so far but I haven't used it that much. It also comes with 12 black, white and red, Republic/Rebel stickers and 12 black, white, and red Empire stickers. Specifics-The first and last setup of pages are graphics.-Next there are some places to put info, like your phone number and address.-A nice sort of calendar layout that has all the months and weeks in a few pages for a big picture planning. Which is a very nice addition.-A world map with the different time zones.-A list of major cities and some specifics about them-Some length area capacity rubrics, a mph to km, Celsius to Fahrenheit, shoe and clothing size rubrics.-A ruler printed on the page 7 inch or 19 cm-A key for the moon phases given through out the main planner pages.-The rest is just the bulk of the planning pages which on the left page go from Monday to Friday with

Saturday and Sunday on the same line at the bottom. The right page is just for notes and you can kind of line up the days for specific notes.-That runs until the year is up and then there are 4 sheets or 8 pages of lined note paper.-The last pages are the graphic and a small pocket where you can keep the Empire and Republic stickers that come with it.

I can't function without a Moleskine planner within arm's reach. I've tried off brands or quick buys at the big box stores- no dice. I tried the horizontal Weekly Notebook version- with the week on one side and a lined diary page on the other. I like the horizontal Weekly Diary/Planner layout a bit better, but for the price and already being April, I have no issues.

This planner would have been a lot better if it had included a layout of the month instead of being entirely weekly.

It's a moleskine so you know it's good. The custom endpapers are gorgeous, the embossed cover feels sturdy, the layout is clear and easy to use.

excelente product, the size is perfect to take notes and small and light enough to carry it everywhere

Good product....fast shipping.

Great size for note taking and sketching alongside your tasks/schedule.

Great notebook, top notch.
