## Customer Reviews

Book by Brandon, Pam

This was not the booklet I have been hunting for, but it was close & very nice. Just as advertised, clean & nearly mint condition. It came very quickly & I am very pleased. I will continue to look for a similar Pictorial Souvenir Book that had to have been issued around 1976 or 77. The cover had a lot of black on it & it was excellent on the building of Walt Disney World. I bought it in the gift shop at the Polynesian Resort. It was misplaced somewhere along the line & I have not been successful in finding another copy. But this one is very good. Anything about Disney makes my day. In fact we are leaving in the morning for..... Disney World!! Of course!!

The Disney World pictorial books are my favorite souvenir. This particular one is from the year I was born and it's amazing to see how it has grown since then.
