I ordered this with hopes of having some nice bible stories for my 3 year old during our commutes each day. This is not that. Frank Peretti's voice is extremely obnoxious - he sounds like Barney on drugs. The analogies he makes are totally out there and have little to do with the stories. I found it

hard to follow the story lines and I actually know all them - can't imagine how my son would understand them (and he didn't). Simply awful. I like Peretti's books well enough but this attempt to relate to children fails miserably. Don't waste your money.

My girls were raised on these stories. They would listen to 4 stories every night until pre teens. When they would have contest in children's church they always won because of the knowledge they got from these tapes. Please don't ever stop selling them. I want my grandkids (when that day comes) to have them as well.

My sisters and I used to listen to these over and over when we were little! I'm so happy I was able to find them to share with my kids!

My 12 year old son has the complete set of Wild and Wacky Totally True Bible Stories. He's had them for five years since they came out in 2000 and has a total of thirteen Wild & Wacky CD's that he treasures. He listens to one almost every night, but frequently pulls them out during the day, as well. Not only does he find them interesting and entertaining, but Mom and Dad do, too. Frank Peretti is a master story teller, comedian. You'll find yourself visualizing Bible stories in a whole new way and laughing out loud at these wonderful stories, time and time again.

My kids love Mr. Henry!!! If you want your kids to have a deeper understanding of the Bible and have fun at the same time then buy this product. This is unlike any other childrens Bible story/education program. Although my kids have heard most of these bible stories, Mr. Henry helps them to experience them. They beg to hear Mr. Henry tell them "just one more." Mr. Henry (Frank Peretti) does such an amazing job making the stories come alive. He helps the kids comprehend God's Word. I am so thankful for these audio cds.

These are great stories done very skillfully by Frank Peretti. His series of "Wild and Wacky" tales is a super alternative to TV. It holds the attention of children, it's funny but it has a clear message.
