Though she adores her sister, Annalise who is beautiful and urbane, confident and accomplished in every situation, Harriet is tired of always being compared unfavorably to her. Clever and quick, practical and sensible Harriet has always felt like an ugly duckling, but it has never stopped her from wanting the happily ever after that her sister always seemed destined for. But an unusual twist in their fates has them taking their destiny into their own hands, but will it end in happiness for Harriet, or for Annalise? Brandon Willis has never wanted for anything, but he has always been determined to serve his community. He loves his work, driving the stage coach across the State, and assisting his great friend, Sheriff John Kimball, as one of the town's Deputy Sheriffs. But he is starting to notice the loneliness that marks his days. But, will he ever put himself first long enough to find a woman to love, or will his desire to help be his undoing?

Customer Reviews

I wrote my review and put it to the wrong book! I'm sorry to the author that ended up with Karla Gracy's review. But I'll try once again! This was a very tender sweet romance story. One of loving others over your own want and dreams. Karla takes you on a wonderful journey as her characters go on new and exciting adventures. So delightful and so worth the read! All her books are fantastic and this one will be totally entertaining to read!! Do yourself a favor and get this one! I promise you will love it!!

I love the mail order bride books. How refreshing and relaxing. Karla Gracey writes in such a way her readers are put on scene, and feel the emotions, hear the horses neigh and the wheels turning on the wagons. Sweet uplifting books

I enjoyed this story of adventure and suspense, the author has done it good job of telling her story. The Karla has kept her characters in the story engrossed in romance and love to the happy ending.

This was good

This is a wonderful story of true love finding a way! Harriet doesn't believe she is worthy of such happiness but loves her sister so much that she is willing to leave everything behind to help her sister get away from an arranged marriage she does not want. This is an adventure you will really enjoy taking. I really appreciate Karla Gracey's writing style! I was given a copy of this book by the author for an honest review but I would have purchased any of Karla Gracey's work. She is one of my all time favorite authors!

I was given a copy of this book by the author for an honest review. It's a story of a young lady that lives in the shadow of her selfish, vain, beautiful sister. Harriet loves her sister inspite of her flaws and lack of concern for others. The two head west when Harriet's family is trying to force her sister into a marriage she doesn't want. It's a very good, clean story. You get to see Harriet blossom and get her happily ever after.

i was given a copy of the book, but i am giving an honest review. this is a good story, a clean romance. if you like mail order brides you will like the story
