The Wonder Year: The Championships Of The New York Jets, Mets, And Knicks Were Only Part Of The Story In 1969

Synopsis

Imagine youâ™re a ten-year-old suburban New York kid, growing up on a dead-end street with dozens of sports-crazed friends. Your daily routine burns thousands of calories, playing in the street every minute your parents allow, imitating your favorite players from your local sports teams. But while the games are fun to watch, your teams are not so good, at least not good enough to raise a trophy at the end of the season. Then it all changes, when not one but three underdog teams chaseâ™and catchâ™glory. Fantasy movie script? No, this was very real. Framed by the first lunar landing, the legendary Woodstock festival, the tragedies of the Vietnam War, and the tribulations of Catholic school, this funny and nostalgic chronicle written through the eyes of a ten-year-old enthusiastically recounts the high emotions of this special year in the history of the country. It reveals the closeness and camaraderie that shined through in all aspects of family and community life. The Wonder Year transports the reader to a place that for some is long forgotten, but can now be fondly rememberedâ™and to a time that in some ways was very simple, but simultaneously extraordinary. It captures the spirit of the times: the family values, neighborhood friendships, the common and comfortable rituals, the shared experiences. In short, 1969 was nothing short of The Wonder Year.

Customer Reviews

Bert Flieger was born in Hempstead, New York, and raised in Uniondale. Those magical years of the late Sixties and Fliegerâ™s enthusiasm for local New York sports teams form the basis of his new book, The Wonder Year. A survivor of Catholic grade school, Flieger is blessed with many friendships that go back to those days, and he loves reminiscing with friends old and new about the

sports teams, events, and characters of his childhood. Although he has lived in many places, he will never forget his Long Island roots and still carries New York in his heart.

Great read! Really connected with the author. It's like I've known him whole life! Buy this book for friends and family, whether they grew up in New York or California, grew up in the 1960's or the 2000's, even if they are not a sports fan, this book has something for everybody.

Berts writing is captivating for anyone who grew up in such a wonderful era , and remain friends trough out the years !Everyone and anyone will finish wishing they had lived on his block with his friends , priceless memories !ABSOLUTELY GREAT READING !
