Child Development And Education, Enhanced Pearson EText With Loose-Leaf Version -- Access Card Package (6th Edition)

Synopsis

NOTE: Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for the Enhanced Pearson eText may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. • This package includes the Enhanced Pearson eText and the loose-leaf version. • Topical, evidence-based, and applied Written by a developmentalist and an educational psychologist, *Child Development and Education* bridges the gap between theory and practice, showing those who teach and care for infants, children, and adolescents how to apply developmental research and theory to everyday practice. This topically organized text describes developmental phenomena and provides instruction and opportunities to practice observations of and analyses of what children say, do, and create, ensuring that educators can make informed decisions that meet children's and adolescents'™ needs. The Enhanced Pearson eText features embedded video, assessments, teacher certification exam prep, and video analysis exercises. • Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.* Affordable. Experience the advantages of the Enhanced Pearson eText along with all the benefits of print for 40% to 50% less than a print bound book. * The Enhanced eText features are only available in the Pearson eText format. They are not available in third-party eTexts or downloads. *The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later. • 0134013530 / 9780134013534 *Child Development and Education, Enhanced Pearson eText with Loose-Leaf Version -- Access Card Package, 6/e* Package consists of: 0133549690 / 9780133549690 *Child Development and Education, Loose-Leaf Version* 0133551547 / 9780133551549 *Child Development and Education, Enhanced Pearson eText -- Access Card* Alternate Ordering Options • *Child Development and Education* is also available• with MyEducationLab, either standalone or packaged with a loose-leaf version. Customer Reviews

“I consider this one of the best child development texts in existence | far more applied than the majority of textbooks and dedicated to an unbiased, culturally diverse description of development.”

— Lisa Pescara-Kovach, The University of Toledo “This is the strongest, most informative text on Child Development that I have encountered |. The sensitivity to cultural and bioecological

issues is just outstanding. | The information is current and is presented in great detail and depth. I also appreciate the strong supplemental resources that are made available to students.”

— John Corey Steele, Loyola University Chicago “The reason that we continue to use this text is that it is the best one that covers the theory of child development along with practical applications, in

particular to teaching |. Seeing written and drawn products helps future teachers analyze the kinds of artifacts that they can expect to see in the classroom.”

— Elizabeth Pemberton, University of Delaware “The synthesis and summaries of research in each of the chapters are very detailed | suggestions for application in each chapter are appropriate and in line with the research

evidence | observation guidelines are helpful for students to anticipate what to look for when working with children. It is also written in a very accessible style.”

— Julia Torquati, University of Nebraska-Lincoln

I think this book will be beneficial for students who have little knowledge about children. I felt the information provided bored me. Lots of terms and definitions you may never remember. Overall, I can't wait for class to end. I'm thankful I only rented this book, otherwise I'd probably give it away.

Perfect for any education major or social worker who needs this book for a class. Very helpful

Received fast and daughter says it's what she needed for school. Thank you

Fantastic introduction book to childhood development. Not super in depth, but it is well laid out and I enjoyed reading it for class.

It was exactly what I needed and I was thankful that the holes were already punched so the looseleaf book could easily be put into a binder.

Took 4-5 weeks to get here And when it got here it was loose leaf text The description said paperback

Had to get this textbook for class. I loved reading it and it made the material very easy to

understand. Great for educators and students.

Received it w/in 2 days! Very impressed!
