I really like this company's calendars, however, the 2016 edition was made of posters, so you could rip out a particular month's quote and hang it in a frame. The 2017 edition doesn't have that option. Still, the quotes and graphics are upbeat and colorful. I would prefer the tear-out posters instead, though.

Very Cute! I love flipping it every month and seeing a new affirmation. The only downside is that there isn't a lot of space to write on the calendar, but that doesn't bother me at all.

Way larger than I expected

Love the quotes and the bright colorful presentation!!
