Prayer: The 100 Most Powerful Evening Prayer Every Christian Needs To Know (Christian Prayer Book 2)

Synopsis

Do You Want To End Your Day In Praise, Calm & Peace? Don't you think your life would be different from what it is now if you at least once every day spoke to your God? This book has been created because of the importance of spending some quiet time with our Beloved Lord at the end of each day. Every prayer is important to God, but evening prayers more so because it is the time when we ask forgiveness for the sins we did today, it is the time when we thank Him for the abundant blessings He has given for the day, and it is also the perfect time to ask for God's protection for the night. It is also an excellent time to look back on the things that all happened to you today and to do some soul-searching for the decisions that were made and actions that were done. God's presence during your examination of conscience in the evening can readily make you pray straight from the heart if you did something wrong, if you said something wrong or if you felt that you were wronged against. Evening prayers loosen, and may even break the bonds of anger, anxiety, and stress resulting to a better long and restful sleep. This is the reason for the book. This is to help you overcome your daily prayer struggle. Praying through these well prepared evening prayers will one day unlock the doors of your struggle and make you pray from the heart. Amen! Customer Reviews

I'm glad I bought this book. We are currently living in a world that is filled with fear and emotional turmoil. If I may speak for myself, night time for me is usually the time when I become the most anxious. The prayers contained in this book can be used for most things in life, prayers for gratitude, for protection, for children. If you are at a point where you just don't know what to pray about, or you need the motivation to do so, get this book!

Prayers are our way to communicate with God, but with the modernization of people's lives, we often forget to pray and talk to God. Often than not, most of us can remember him only at times of problems or big trouble. The book is right when it compares our argument of not having to pray to our having time to check our social media sites or to watch our favorite tv series. Yes, in this case we do not have a justified reason to claim our busy-ness anymore as hindrance to praying. Nonetheless, this book has different evening prayers that we, Christians, can follow every night. Let us give time to God every night to tell him about our days, problems, needs, and most of all gratefulness for all the wonders of this world.

This book is written for anyone who struggles with the scourge of stress and feels that their life is spinning out of control as a result. After reading this book, I was immediately filled with hope and strength, secure in the knowledge that with prayer, and following the Author's spirit-filled suggestions, I will be able to effectively manage stress in my life. The book has helped me to view what's important to me, and it has helped me see what God wants me to do with my life. I recommend this book to anyone stressed out with the hurried pace of our culture that stems from the value of things over people.

Everyday we face different challenges and opportunities and we need Our Almighty Father to protect and guide us to our journey. The only way to communicate with Him is through prayer. This book provide beautiful prayers which enriched with different prayers for peace, reflection, praise, and dedication. This prayers inspire me and uplift me as well as support me to draw nearer to the

Almighty. The prayers in the book also motivate me to endure the daily grinds of life and for the days ahead of me. Really worth my time and for my soul.

Prayer is a very mysterious but passionate book as it deals with different kinds of praying approach but is synthesized into a perfect singular book. I love how readers would treat the book as sacred as it makes you more in touch with God or whoever supreme being you are looking up to in life. Moreover, it makes you more in touch with yourself as it allows you to communicate with it on a hundred per cent level. This is truly, honestly, irrevocably a masterpiece. Great book! Awesome read indeed!

I snagged this book because I am always trying to improve on my walk with Christ. I am a busy mom of young children and if I am horsing sometimes I forget to pray. There are literally 100 prayers in this book. I like how the author states that evening prayers are important because it's when you repent your sins and ask for forgiveness. I really enjoyed reading this book and reading the prayers. Great book for anyone who believes in prayer!

Sometimes, after having a long day I just laid down and closed my eyes. When I opened it again, it means another day has started. I honestly forgot to pray at night. This book is absolutely great. Everyone needs to develop their personal relationship with God. We have to thank Him and ask for forgiveness. I agree with the author saying, PRAYERS are necessity. I hope I can use this for 100 evenings.

Absolutely love it
