Looking to take a literary vacation? Head to Manhattan with *Manhattan Mayhem*. “Creative Loafing” MWA Grand Master Clark has assembled an impressive roster of talent for this strong anthology...The MWA has once again produced an anthology that’s a must for every mystery fan. “Publishers Weekly --This text refers to an alternate Audio CD edition.

Mary Higgins Clark, #1 international and New York Times best-selling author, has written thirty-four suspense novels. Her books have sold more than 100 million copies in the United States alone.

Did not like all of the stories this time.

Out of the several stories in these book only a few were entertaining and worth reading. It was hard to finish.

Many of the short stories represented a plot without a conclusion. As if you had just asked for a sample of a book before you purchasing. On the other hand, it does give the reader an opportunity to view the writing style of other authors.

This is so true

purchased because of Mary Higgins Clark one of my favorite authors - her books are an easy read you get the mystery and some romance-not wordy and not full of descriptions-noexplicit sex (which never adds to the story) but did not care for all the stories

As an avid reader and fan of Mary Higgins Clark, I have and will continue to read every novel. However, the mysteries compiled in the Manhattan Mayhen novel are disappointing and borderline boring. It was an effort to complete the novel.

Great as usual! I love Mary Higgins Clark.

This is one of the best books I have bought in quite some time. Excellent!
