Ice Is Nice!: All About The North And South Poles (Cat In The Hat's Learning Library)

Synopsis

Chill out with the Cat in the Hat as he takes Sally and Dick to visit the North and South Poles in this very cool Cat in the Hat Learning Library book! As the Cat and Co. mingle with reindeer, musk oxen, polar bears, caribou, and all sorts of penguins, they discover how the animals stay warm in freezing temperatures, why it's colder at the South Pole than at the North Pole, that one pole is located on land and the other isn't, and how scientists are studying climate change to keep both poles icy cold. Perfect for fans of the hit PBS kids TV show *The Cat in the Hat Knows a Lot About That*, this is a great choice for curling up with on a winter's day!

Book Information

Customer Reviews

Bonnie Worth is the author of countless books for young readers, among them the Cat in the Hat's Learning Library books *If I Ran the Rain Forest*, *A Great Day for Pup*, *Oh Say Can You Seed?* (winner of the 2003 Ohio Farm Bureau Award for Children's Literature), *There's No Place Like Space!*, *Wish for a Fish*, *Oh Say Can You Say Di-no-saur?*, and *Would You Rather Be a Pollywog?*

My three (almost 4) year old loves these. I also read them in my self-contained autism classroom. A little lengthy and my students lose interest, but I love how they get facts in a book filled with rhymes.

These books are our favorite in our house. I really love the content, they are so clever!

I bought this book for my 9 year old daughter to put in her stocking. I think it is a great book as it is entertaining and educational as well. Love it!

An amazing book. Educational, fun for child with severe dyslexia. I buy lots of book for children. This was specially good

Great Arctic book for school age children.

Great, Thanks.

Fun for all who read it
