Paris: The Monocle Travel Guide Series

Synopsis

There's the food, the culture, the architecture, the art à "Notre Dame and Montmartre and the Louvre à "and then there's the side of Paris you've never seen, until now. Paris: the city of love, the city of light à "the city everyone thinks they know from movies and books. But there's more to this vigorous new-old metropolis than Notre Dame and the Eiffel Tower. Along its winding streets and hidden in picturesque views along the Seine, there's so much more to do and discover, to taste and see, than what you imagine. The Monocle team is your guide as you explore the nouvelle cuisine in the city's up and coming restaurants that are revitalizing classic dining. Step off the beaten path and into galleries showcasing works that will inspire future art world trends. Escape the crowds and the tourists in laidback local bars and classy clubs. And then bundle up in designer goods from the best unknown boutiques as you stroll through history and romance. Paris is a wonderland. This is your ticket.

Best Sellers Rank: #81,254 in Books (See Top 100 in Books) #24 in Books > Travel > Europe > France > Paris #119 in Books > Travel > Europe > France > General

Customer Reviews

Fantastic alternative to your normal travel guide, with a seemingly local perspective. I travel a good deal and this type of guide I'd want with me to learn how to experience a city like a local and understand the modern cultural underpinnings of where I am. Looking forward to more guides from Monocle.

Excellent travel book for a sophisticated travel. Perfect size and everything you need to know to have a great time in Paris.

Monocle travel guides are the best. By far the best prices compared to buying it directly at the store or on their website

Clutch production by Monocle as always

A Great resource!

Totally useless. The book is thin, emphasizes the upscale and weird of Paris. Not at all helpful in planning an ordinary Paris visit. Save your money and get Rick Steves Paris book instead.
